EMPLOYMENT

// THE NOTION COLLECTIVE // May 2010–present

Cofounder & principle for creative collective in Brooklyn, NY.

[<http://notioncollective.com>]

// GIVE & TAKE // February 2010–July 2010

Video documentarian & producer for a monthly event “where happy hour meets show & tell” (similar to Pecha Kucha).

[<http://give-take.org>]

// SPEAKING OF FAITH // March 2008–April 2010

Associate web producer a Webby award-winning, nationally syndicated American Public Media program. Some more notable achievements were the development of a mapping application that became a regular feature for the website, & a complete redesign of the site’s main navigation & header. My responsibilities included:

- + Producing multimedia content (videos, slideshows, etc.)
- + Front-end web development (HTML/CSS/JavaScript)
- + Designing & implementing feature websites for new programs
- + Updating old feature websites to be web-standards aware
- + Video production for live events
- + Contributing to production meetings for the radio program
- + Facilitating radio producers’ online content
